# PROPERTY SUMMARY

## PROPERTY DESCRIPTION

Price: \$4,995,000.00

This marina is located in Hollywood Florida, just south of the City of Fort Lauderdale and only minutes from Port Everglades ( a major cruiseline and deep-water inlet). The facility lies on the western bank of Hollywood Beach, and on the eastern side of the Intracoastal waterway. An impressive fleet of very successful charter boats line the docks and provide legendary fishing excursions into Florida's Gulf Stream waters. Staff maintains the front desk, while licensed and experienced captains run the boats. Tiki huts provide shaded areas for customers prior to and after trips where stories and photos are exchanged, and while captains filet the catch.

## PROPERTY HIGHLIGHTS

- Located in the Yachting Capital of the World, with no height restrictions (bridge goes up), and only 3 miles north to the nearest deep water inlet, there is plenty of draft at the bulkhead. With full service shipyards in immediate proximity, and ownership in fee on the land with riparian rights in the water, there is excellent protection from storms, ample parking for customers, and only a five-minute walk directly east to the beach with local restaurants abounding. Fort Lauderdale International Airport only 10 minutes by car, the Bahamas are a short 55 mile run due east, and Miami only 25 miles directly to the South. There is an option to purchase an additional parcel which shares the southern property line with this property and that would extend the waterfront to a total of at least 150 feet. Perfect for a very large yacht to lay up alongside and have a private location to store their goods, maintain the vessel and more.
- This highly unique business / personal use property is rare indeed, and available for its next owner to use as they see fit. With at least 110' of bulkhead running north and south on the west side of the property, options including the continuation of what is taking place there now, or a complete re-purposing of the facility.
